Dear Sir or Madam:

Please find enclosed an original and 10 copies of Telstar Telecom Company, L.L.C.'s amendments to its pending local exchange and interexchange tariffs.

The local exchange amendments consist of three pages (numbers 14, 16, and 20). The following sections have been modified: 2.6.1, 2.10.9, and 3.6. Every page of the interexchange tariff has been revised to list it as "A.C.C. Tariff No. 2" as opposed to "A.C.C. Tariff No. 1" (the local exchange tariff already bears "A.C.C. Tariff No. 1" therefore, the interexchange tariff should be No. 2).

If you have any questions, please contact me at 817-281-4727. Thanks for your help.

Sincerely,

PCSi
Consultant to Telstar Telecom Company, L.L.C.

2.6 Interruption of Service

2.6.1 Upon customer request, the Company will provide additional service to compensate for service interruptions which are not due to the Company's testing or adjusting, customer's negligence or willful acts, or to the failure of customer provided facilities or equipment. The Company will provide one additional day of service for each 24 hours or major fraction thereof that the interruption continues.

2.6.2 Without incurring liability, the Company may interrupt service at any time for inspection, testing, maintenance, or repair. The Company will not grant any allowances for interruptions for inspection, testing, maintenance, or repair.

2.6.3 The Company may discontinue service, without notice to the customer, by blocking traffic to and from certain countries, cities, NXX's, or by blocking calls that use certain authorization codes or calling card accounts when the Company deems it necessary to prevent fraud or other unlawful use of its services. The Company may restore service as soon as it can be provided without undue risk.
